

Dear Parents,

The Math packet consists of ten lessons of Chapter 8 from your child's Envisions Math Workbook that should be completed before the Spring Break. Please have your child do one lesson every day.

There are also extra math worksheets included in this packet for your child to do at home.

Here are some following educational math websites for your child to go on:

<https://www.education.com/games/kindergarten/math/>

<http://bedtimemath.org/>

<https://www.splashlearn.com/math-skills/kindergarten>

<https://www.starfall.com/h/index-kindergarten.php>

<https://www.abcya.com/grades/k>

<https://www.funbrain.com/pre-k-and-k-playground>

If you have any questions, please contact your child's teacher.
Stay Healthy!
